### CARRYING THE TORCH

After the Canmore mines were shut down on July 13, 1979, the town struggled to stay alive, bolstered only by its close proximity to the popular town of Banff. The announcement that the Cross Country events for the Winter Olympics of 1988 would be held in Canmore brought the town back to life and quite possibly saved them from looming economic disaster. After the excitement of the Olympic Games dispersed, Canmore was left with a great legacy, a vibrant ambiance, and The Canmore Nordic Centre.
